

**E-Statements are now available**

E-statements are a fast and easy way to receive or download your statements from a secure internet site. This is a free service and replaces the printed statements that you receive in the mail each month. Your online statement looks similar to the printed version. Once saved to your computer, you can access archived statements.

When you've selected to receive your statement, you will download the statement to an area on your hard drive or onto a disk so you can launch it from there. You will need Adobe Reader to view the statements. Adobe Reader can be downloaded for free from [www.adobe.com](http://www.adobe.com).
